ABOUT ME

I am passionate about aerospace technology and aircraft systems, with a strong interest in aerodynamics, propulsion, and aviation innovation, particularly in the field of Formula One. Through my studies and hands-on projects, I have developed strong analytical thinking, technical aptitude, and attention to detail, alongside an understanding of engineering principles, aircraft operations, and system troubleshooting. With prior customer service experience, I have developed strong interpersonal, communication, and problem-solving skills, as well as the ability to work effectively in fast-paced and team-oriented environments.

EDUCATION

Apr 2024 - Present	Singapore Polytechnic Diploma in Aeronautical Engineering
Jan 2020 - Dec 2023	Geylang Methodist Secondary School GCE O-Levels

EXPERIENCE

May 2025 - Apr 2026	Tan Tock Seng Hospital Customer Service Ambassador - Delivered frontline customer service support by assisting patients and visitors with enquiries, directions, and appointment-related matters in a fast-paced healthcare environment. - Demonstrated strong communication and interpersonal skills when interacting with patients from diverse backgrounds while maintaining professionalism and empathy. - Applied problem-solving skills to address customer concerns efficiently and escalate issues appropriately to ensure smooth service delivery. - Adapted effectively under pressure by managing multiple responsibilities simultaneously while maintaining composure and service excellence. - Collaborated closely with healthcare staff and fellow ambassadors to create a positive, supportive, and patient-focused environment.
Dec 2024 - May 2025	SATS Ltd. Passenger Service Ambassador - Delivered frontline passenger service support by assisting travellers with check-in procedures, boarding enquiries, and wayfinding in a fast-paced aviation environment at SATS Ltd.. - Developed strong communication and operational coordination skills through interactions with passengers, airline personnel, and ground operations teams. - Applied problem-solving and adaptability when managing passenger concerns, flight disruptions, and time-sensitive situations while maintaining professionalism under pressure. - Gained exposure to airport operations, aviation safety procedures, and the importance of efficiency and precision within the aerospace and aviation industry. - Collaborated effectively with multidisciplinary teams to support smooth passenger flow, operational efficiency, and a positive travel experience.

SKILLS

Technical Skills:

- Computer-aid drafting
- Thermodynamics
- Aircraft Maintenance Practices
- Aerodynamics Fundamentals
- Mechanics

Soft Skills:

- Customer service
- Leadership
- Team Player

Languages:

- English
- Mandarin

HONOURS & AWARDS

Sept 2025	Issued by MOE	Edusave Certificate of Academic Achievement
Jul 2025	Issued by Singapore Polytechnic	Book Prize
Dec 2023	Issued by MOE	Edusave Good Progress Award
Dec 2021	Issued by MOE	Edusave Scholarship

LEADERSHIP & CCA

Singapore Polytechnic	Bowling, Main committee Events Led and coordinated team activities as part of the Main Committee for the Singapore Polytechnic Bowling School Team, demonstrating leadership, event planning, and teamwork skills in organising training sessions and bowling-related events.
Geylang Methodist Secondary School	Bowling, Vice-Captain Served as Vice Captain of the Geylang Methodist Bowling School Team, supporting team leadership by coordinating trainings, guiding teammates during competitions, and promoting discipline, teamwork, and consistent performance in both practice and competitive environments.
